SCRIPTURE FOCUS of the month

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and He will make your paths straight.

Proverbs 3:5-6

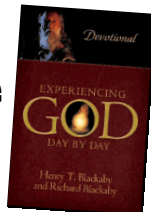

WPRZ IS OWNED AND OPERATED BY PRAISE COMMUNICATIONS, INC., A NON-PROFIT MINISTRY SUPPORTED BY THE BODY OF CHRIST IN OUR AREA.

Thank You to Everyone Who Gave!! WPRZ Ended the Year Well!

What a blessing it is to end 2015 well financially!! Thank you to everyone who stepped up and gave a special gift to help! You have made it possible for WPRZ -FM to have the best year ever! We are growing and it is such a relief to end the year well with no lingering operating expense obligations. Our goal for December was \$40,000.00 and we are happy to say that \$42,633.25 came in! Thank You God!!

We are excited about the New Year ahead!!! We are still aiming to reach our original goal of \$30,000.00 a month for operating expenses. That will enable us to expand our staff so we can serve you even better and keep us from having those alarming deficits. We averaged \$23,730.53 a month during 2015. Because of your generosity, we are much closer to our original goal of \$30,000.00 a month for operating expenses. Please pray with us that more listeners will come on board with regular monthly gifts and that more friends who are already supporting will pray about this and increase their regular monthly giving to help! Thank you, again, and may God keep you in His perfect peace throughout the coming year and beyond! We love you...and we thank you for your help!! Together we are making a difference in people's lives!!

Get Ready to Call in and Win! It's the WPRZ Bible Quiz January 18th - 22nd!

What better way to start off the New Year than to win a copy of Henry and Richard Blackaby's daily devotional "Experiencing God Day By Day"!!! This is a simply wonderful daily devotional that is sure to be a blessing to you! A quote from Henry on the back of the book says: "If we walk with Him closely today, we will be in the center of His will tomorrow." How true! We hope you are doing that as you listen to WPRZ...and experiencing Him everyday. This daily devotional will be a help to you as you grow in your faith! Just be the first to call 540-727-9779 with the correct answer to our Bible Question and you will win this great devotional. So be listening and be ready to call!

Check Out WPRZ's New Sign!!

It took a while to get a sign up on the Taft Building announcing WPRZ's presence there, but now it is up!!! The new sign will make it so much easier for people to find our offices and studios. Thank you to those who gave towards the cost of the sign and to John Fink and Black Forest Sign for their great craftsmanship!

So Sorry WPRZ Was Off The Air!

At 10:40 pm on December 31st, WPRZ went off the air unexpectedly!!! Thank you to Lynn Shutts for calling us and letting us know shortly after it happened. Steve immediately went into the station and to the tower and transmitter site but could find no problems in any of our equipment or computers. He determined that the next thing to do check was our Verizon T-1 line that runs from our studio up to the transmitter. Getting a technician to come out on New Year's Eve was a real challenge but finally at 1:30 pm on New Year's Day the technician arrived and after several hours of checking numerous equipment and relay points, he discovered that two wires were touching and shorting out in the Verizon boxes at our transmitter site. He fixed the problem and we were back on the air at 4:40 pm New Year's Day.

To those of you who called the station and left messages, again, we are so sorry this happened. We had no control over it. Please join us in thanking God that the problem was found and fixed.

This situation reminded us how delicate and sensitive our own broadcast equipment is and that we need to have some more backup equipment should some of our equipment go down for one reason or another. We would appreciate your prayers that we will reach our goal of \$30,000.00 a month so we can get some additional equipment to insure we are never off the air that long again due to any of our equipment failing! Thank You God for providing all the amazing equipment and tools we use here every day to do your work over these airwaves! And thank you for being so patient while the problem was being found and corrected! We appreciate you, your phone calls, and your prayers so very much!
