## Moving Our Offices and Studios to Culpeper... in Progress!!!

Be assured, our broadcast signal on 88.1 FM is not moving! Only our studios and offices are moving to a more central location within 88.1 FM's coverage area!

We have felt God's prompting us about moving ever since 88.1 FM went on the air! And what a fantastic location God is moving us to!!! After a relatively short time of searching for a new location and a long wait for our property to sell, it is all settled now and we are moving right into the heart of Culpeper at 219 East Davis Street, on the second floor of the Taft Building, right above Foti's Restaurant!

It is another "God" story of how He is leading and watching over this ministry. After looking at various other places, we were actually at the table getting ready to sign a lease for a space in a small shopping center when God simply closed the door! It became absolutely clear that the space was too small and the price was too high! We felt like we were back at "square one" again. Then our agent said we should look at other properties now and said that **just that day** he got another space to rent that we should go look at where Social Services had moved out **just the day before!** He didn't even have a price yet but we went immediately and, WOW, we knew this was the place! It's a very old but restored building and the owner is working with us in every way making it affordable and customized to our operations!! The main studio will overlook East Davis Street and there is a huge room that will be our new multipurpose, development, prayer and conference room! There is also room for expansion when the time comes...and we know it will! All along, God was in control! His timing is perfect!!! He has once again made a way for us where there seemed to be no way!

Presently, about half our furniture and boxes are being stored in the building while the new space is being painted and some modifications are being made. We have 60 days to completely vacate Baldwin Street so we will continue to broadcast from there while we build our new studios at East Davis Street. We continue to be amazed as to how things have all fallen into place!!! God is absolutely amazing!!

We will keep you up to date with our progress! We plan to have an Open House when everything is complete and that probably will not be till Fall. Thank you for praying with us! God has answered!!

## Win the Film *25 Hill* on DVD in the July WPRZ Bible Quiz! July 23 - 27

This is a great Dove Foundation approved film and a great story about an American tradition and the value of faith and hope when you need them most. In this story, 12 year-old Trey Caldwell is shattered when his father is killed in Afghanistan, leaving a hole in the boy's life and an unfinished Soap Box Derby car in the garage. A final gift from his dad, the car is a constant reminder of all that could have been. But when Trey meets Roy Gibbs, a grizzled Fire Chief devastated by the loss of his firefighter son on 9/11, a new relationship forms and old wounds finally begin to heal as this unlikely team works to complete the Soap Box car and train for the upcoming Derby. This film is furnished to WPRZ by Echolight Studios and features music by Third Day and Brandon Heath.

You can win *25 Hill* on DVD and a gift card from **Chick-fil-A** for a free 8-count order of Chick-fil-A Nuggets by being the first to call with the correct answer to our Bible question. We'll be giving away five DVD's throughout the week from 8 am to 4 pm. There is no age limit but you can only win once! So...be listening for your opportunity to win!!

## Kid's Time Live Comes to an End

After more than 20 years on the air, Charlie Goode is retiring from *Kid's Time Live*. Charlie made the big announcement during the show on June 23<sup>rd</sup> that the final broadcast of *Kid's Time Live* would be July 14<sup>th</sup>. The popular Saturday morning live show for kids will be greatly missed.

Though the show is only two hours long, Charlie spends many more hours each week writing the stories and planning the contests that make the show so special. Charlie now feels that he needs to spend more time with his son Travis who is severely handicapped and unable to speak or walk. Travis loves to go for rides in the car so Charlie will have more time to put a little more fun in Travis's life, especially on Saturday mornings now. What an incredible gift from a father to a son.

We love you, Charlie, and while we will miss you on the air on Saturday mornings, we wish you the very best in your decision to spend more time with Travis.

Charlie will remain on the Praise Communications, Inc. Board of Directors and he and the rest of the gang that includes John King, Ric Houk, Shelley Burnham and Dylan Haddock will continue to be involved in WPRZ's children's ministry activities. WPRZ remains committed to reaching kids for Christ and helping them grow in their relationship with God!

Please be sure to listen to the last show this Saturday, July 14<sup>th</sup> as the gang celebrates over 20 years of *Kid's Time Live*!!

## WPRZ's New Saturday Morning Lineup Begins July 21<sup>st</sup>!

A great lineup of family oriented programs will begin at 6:00 am starting with **MoneyWise Weekend** with Howard Dayton and Steve Moore. Please check out the entire new Saturday morning schedule in the Program Guide of this Highlights. We are especially pleased to bring you a new program at 8:30 am appropriately titled **Parenting Today's Teen** with Mark Gregston. Parenting teens in this culture is a real challenge and we hope this program will be a help to those of you raising teens! We hope to add programming especially for teens in the future as we have had requests for such a program from the teens themselves! We will do it, perhaps on Saturday evening, when God sends us a couple of hosts!

Mark Gregston

Though we will greatly miss *Kid's Time Live*, you will still be able to hear some wonderful programs for kids on Saturday mornings from 9 to 11 am!! We're moving up the best of what we've been airing for years so beginning at 9, you can hear **Down Gilead Lane**, followed by **Paws and Tales**, then **Adventures In Odyssey**, closing out the time period with the adventures of **Jonathan Park**. Unfortunately, **Ranger Bill** and **The Pond** are no longer being produced so we will no longer be airing them. We hope our new family oriented lineup on Saturday mornings will be a blessing to you!

**SCRIPTURE FOCUS of the month**

*"Sing to God, sing praise to His name, extol Him who rides on the clouds - and rejoice before Him."*

*Psalm 68:4*

## Truth for Life with Alistair Begg

Monday-Friday 6:00 am & 7:30 pm  
Sponsored by Novum Baptist Church

Truth for Life  
P.O. Box 398000  
Cleveland, OH 44139

**July 2-31 "The Lions Roar"** – Alistair continues his teaching from the book of Amos. Amos was not a learned man; he was a shepherd from a small town. The only remarkable thing about Amos was how unremarkable he was, yet God used him to remind His people that religious profession and religious procession are irrelevant and repulsive to Him unless they are accompanied by evidence of His grace. Alistair explains why he believes today's church desperately needs to hear again the prophetic words of Amos and how we might learn to bring our lifestyles into line with that which comes from our lips.

## Turning Point with Dr. David Jeremiah

Monday-Friday at 12:30 am,  
5:30 am & 12 noon

Turning Point

**July 2-29 "The Supremacy & Sufficiency of Christ"**  
Dr. Jeremiah teaches a dynamic new series this month on the Book of Hebrews. He says, the answer to the question, "How can I know God?" is not as mysterious as it sounds. And you don't need a degree in theology to get the right answer. God's response to those who want to know Him is "Know my Son Jesus." Topics in this series are as follows: 7/10-11 "Why Jesus became a Man", 7/12-13 "Considering Christ", 7/16-17 "Do You Have a Hard Heart?", 7/18-19 "Experiencing God's Best", 7/20-23 "Someone Like Me", 7/26-27 "Peter Pan Christians".

## Moving Day!

Thursday, July 5<sup>th</sup> was the first of two big moving days that need to take place to get us completely moved into our new location on East Davis Street. Because of the incredible heat wave and problems resulting from power outages from the Super Derecho Storm, along with the large heavy pieces that had to be moved, we felt it best to hire a moving company for this phase of the move. Those of you who called and offered your help will get to help us move the rest of the furniture and boxes directly into the new offices. We are looking forward to your help for phase two of the move!

Cindie Foster packing up the prize cabinets. You don't realize all the "stuff" you have until you get to pack it all up!!! Many thank you's to Shirley and Ed Nicodemus and Cindie for coming in and helping us pack. You are appreciated sooo very much!

Thank you to Three Dave's Moving for doing a great job on one of the hottest days of the year. It was 104 degrees!!

Ed and Steve preparing to move Sally's table. Most of the furniture and desks had to be taken apart for the move. We can't wait to get them put back together at East Davis Street!! In the meantime, Sally and Kandy will be working mostly from home. Steve will continue broadcasting from Baldwin Street till the new studio is ready. Please pray that this will happen quickly!!!!

Here we are! The furniture and boxes will be put in a storage area until our new space is ready!

Sally's desk going up the elevator to a storage area on the second floor where the new offices will be.

This is the view from our soon-to-be new studio! The church steeple you see is that of St Stephens Episcopal Church where the Culpeper Food Closet is located.
