SCRIPTURE FOCUS of the month

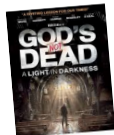

Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him and He will make your paths straight.

Proverbs 3:5-6

WPRZ IS OWNED AND OPERATED BY PRAISE COMMUNICATIONS, INC., A NON-PROFIT MINISTRY SUPPORTED BY THE BODY OF CHRIST IN OUR AREA.

"A Call To Prayer" Update!!

Thank you so much to those who gave in August in response to "A Call To Prayer"! Including what was received for regular operating expenses, WPRZ received \$33,252.99 which helped us so much towards getting caught up. For the first time this year our Year To Date Shortfall DECREASED by \$3,252.99!! It is our prayer that as you continue to pray and respond, by the end of this month the YTD Shortfall will continue to decrease and WE WILL BE CAUGHT UP! In the meantime, "A Call To Prayer" MUST continue. When you give for "A Call To Prayer" please be sure to write on your check "An Answer to Prayer". Please continue to pray about what you can do to help as well as for more monthly Praise Partners and more Sponsors to help underwrite programs on a regular monthly basis. Thank you for all your prayers and for giving!! May God bless you abundantly!!

Win A Great New DVD in the WPRZ Bible Quiz! September 17 - 21, 2018

We are so pleased to have as our prize this month the brand new movie "God's Not Dead...A Light In Darkness" on DVD. This is the third in the God's Not Dead series and it delivers exactly what audiences have come to expect from the series. After a deadly fire rips through St. James Church, Hadleigh University leaders use the tragedy to push the congregation off campus, forcing the church to defend its rights and bringing together estranged brothers for a reunion that opens old wounds and forces them to address the issues that pulled them apart. This movie is rated PG and some material may not be suitable for children. So, this month, the rules are you can only win once and you must be 18 years old or older to win. Thank you to Pure Flix films for providing WPRZ with these great DVDs. Have your Bible handy and be ready to call with the correct answer to our Bible question and you just might be a winner!!

Thank You Mr. Jenkins!!

What a blessing it is when Mr. Jenkins and crew from Jenkins Orchard in Woodville come by the station bearing the most delicious fruit you can imagine! Just look at these peaches he brought us last month! If you've never tasted fruit from his orchard you are really missing out. Want to try some? Then listen and Steve will let you know on the air when we have some and you are welcome to come by and try them! Don't delay because they go really fast!!

Why Was WPRZ Off The Air?

We sincerely apologize for being off the air three times last month! There were three different reasons for this...one is quite amazing!! One time a piece of equipment called an STL was simply found turned off. We were alerted about this around 4:00 am because of a phone call from our official listener monitor Lynn Shutts. Another time was due to the extensive electrical outage caused by a big storm, and then the third time happened on August 13-14. It began during "In The Market" as a sporadic on/off situation that finally put the station off the air totally. Steve immediately checked everything out and could not find any problems even inside the transmitter building. He called Verizon and checked on the T-1 line and everything was good there. Therefore, he thought, it had to be something wrong with the satellite dish equipment but after checking everything he found all the equipment was fine. So, he called the Moody Radio Network and talked to the head engineer for about an hour. The engineer alerted him to many things to check including the satellite dish alignment, the LMB part that goes bad sometimes, the receiver, various cables, etc. Steve proceeded to check out everything but still could find nothing wrong. So, on Tuesday morning, he was double checking everything and was up on the ladder at the top of the satellite dish when he felt God speaking to him very clearly...."look down the feed horn". It took standing on the top rung of the ladder to do so. Well, low and behold, there was the problem! A couple wasps had started to build a nest inside the feed horn and it was blocking the satellite signal from reaching the dish. A

shot from a can of WD-40 eliminated the wasps, he removed the nest, and the station was back on the air! Another confirmation...WPRZ is God's Station!

The actual wasp nest was lost in the tall grass at the satellite dish, but this one is about the same size. It's laying right beside a quarter.

Volunteer Office Help is Needed!

Anna has moved to Virginia Beach and we sure miss her. She started out as a volunteer two years ago and quickly moved into a paid position here at the station. We are again offering a part time Volunteer Office position that can turn into a paid position for the right person and when the time is right. This job includes helping Kandy with general office work, answering the phones, preparing envelopes for mailing, filing, helping Sally in the music department, and assisting with numerous other duties as they arise. Good computer skills, a love for people, and a good speaking voice are required. If you are interested please call Sally at 540-727-9779.

Please Join Us in Prayer...

We are getting more and more prayer requests locally and from around the world. Prayer requests are posted on our website so you can join us in praying for those who request it. Here are some we just received...

Please pray for me and my finances. I was laid off five weeks ago and have sent hundreds of resumes out for other positions. I have been on many interviews but no offers, I'm beginning to wonder if there is an age discrimination thing happening, I'm 60 years old. I know the Bible says not to worry and to give all things to God, I'm not sure what I will do if I don't find a new job very soon. Please pray for me. Judith from Florida

I'm asking for prayers for my daughter Jessica as she is addicted to heroin and meth. I'm asking for God to break the stronghold of addiction and bring her back to her children and us. Thanks so much. Tracey from Pennsylvania

Please pray for my husband who has a very serious lung disease, that he will be healed on earth. My parents and brother are having serious health issues, that they will be healed. I also have a lost friend who is very ill, I pray that she will receive Christ before it is too late. Thank you for praying with me. I know nothing is too hard for our Lord, who is the Great Healer. Anonymous from Alabama

Please pray for baby Ford's respiratory issues to be healed with no long term lung damage!! Pray for peace for his parents! Thank you and God bless you Prayer Warriors! Sue from Kansas
